DEDICATION

To this man, Langlois High School owes much. He is a man who labors diligently to carry on the duties required of a modern educator. To his students and staff he is a symbol of cheerfulness, humility and wisdom. A man ever ready to say the right word at the right time, to give an assuring smile that brings comfort to all. To this man, Mr. Robert L. Thetford, we humbly dedicate the Panther Tracks of 1953 - 1954.

ATTENTION!!! The Langlois Panther, Satan, has escaped from his cage and is now somewhere in the vicinity of Langlois Zoo. He is considered dangerous so do not provoke him.

It is expected that he will visit the zoo keeper, Mr. Thetford and the attendants Mr. Jerman, Mrs. Henneman, Miss Sebern, Mr. Hargand, and Mr. Jensen. He is liable to seek out the Senior Lions, Junior Tigers, Sophomore Bears, and the Freshman Deer, who have also been warned that Satan will find his way to them.

If seen by the Student Body Officers or Student Council Members, do not hesitate to let the members of the Panther Tracks and the Panther Tale know.

If he reaches the gym he will probably try to get in on the volleyball and basketball games. Again we warn you not to provoke him because he is considered dangerous, so let him join you in a game.

All teachers please lock classroom doors because Satan is very mischievous and likes to try his hand at everything.

No reports have been turned in concerning Satan's whereabouts, but he is bound to turn up soon. Keep on the look out for him. With your co-operation we are sure he will soon be returned to his cage.

SENIOR CLASS NEWS

We entered our Freshman year with the following Students: Hal Strain, Clint Caughell, Gary Bruchler, Ted Brown, Joe Fisher, Mary Donaldson, Keitha Cox, Darrell Guerin, Joanne Henry, Glenda Holycross, Charleen Turner, Venedia Peterson, Larry Lacey, Geralddeen Morgan, Carl Miller, Barbara Phillips, Iris Robbins, Lewis Stankavich, and Duce Storm. In the course of that year we lost Carl Miller, Geralddeen Morgan, Joe Fisher, and Larry Lacey. During the Sophomore year we gained Madelyn Johnson, Vincent Cook and Jerry Brown. In the course of this year we lost Gary Bruchler, Keitha Cox, Iris Robbins, and Vincent Cook.

Our Junior year found our total enrollment fourteen. We gained Elmer Miller, Donna Barrett, Sarah Logan, Margie McFarland and Dixie Decker. Margie and Dixie left the same year and we lost Darrell Guerin in an auto accident. Therefore, we had fifteen students when we started our senior year but ended the year minus one more--Duke Storm.

We are proud to say that the cheer leaders have come from our class every year. This year Glenda Holycross, Madelyn Johnson, and Barbara Phillips can be seen leading yells. Charleen Turner was a pepster.

The Senior Class is also proud of their record for having the carnival queen coming from their class for four consecutive years.

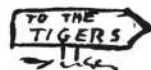

Band members are: Hal Strain, Mary Donaldson, Barbara Phillips, Madelyn Johnson, Glenda Holycross, Joe Fisher, and Charleen Turner. Joe was elected Band Manager, Barbara Phillips, treasure and Madelyn Johnson, librarian.

Those receiving letters in basketball this year were: Jerry Brown, Clint Caughell, and Elmer Miller. All of the senior girls take active part in sports, some won letters in volleyball and some in basketball.

Three of the four student body officers come from our class. They are: Jerry Brown, president, Charleen Turner, vice president, and Mary Donaldson, treasurer.

The editor of the school annual, Panther Tracks, is Barbara Phillips. Annual staff members are: Joe Fisher, Mary Donaldson, Madelyn Johnson, Venedia Peterson, Sarah Logan, Lewis Stankavich, and Charleen Turner. The school paper, Panther Tale, is edited by Charleen Turner.

Our class has very much enjoyed these years at Langlois High School and, as the old saying goes, "They have been the best years of our lives."

JUNIOR CLASS NEWS

The Junior Class opened the year with nine members--Barbara Brinkman, Dorothy Wigle, Margaret Fain, Deanna Churchill, Joe Sabin, Ted Walker, David Barklew, Dale Smith, and Gerald Phillips. Later in the year we lost Dale to the Marines but gained two girls from Kansas; Norma and Alice Donaldson.

We had priority on concessions at the basketball games to get money for the Jr. Sr. Banquet and from we financed.

In January we had a Variety Show with all high-school talent. This went over pretty well and we gained a nice profit.

In March we held the Jr. Sr. Banquet which had a Hawaiian theme. We had the luck to hold it at Tanglewood. It was very successful according to reports.

Speaking of reports--that rhymes with sports and we haven't mentioned that yet.

The Junior boys all filled spots on the football and basketball teams pretty well. At this writing baseball hasn't quite started rolling but we expect to be represented in that sport favorably, too.

The girls had a wide variety of sports, too. Baseball and tennis in the fall, volleyball and basketball later, then dancing and archery. Dorothy made the volley-ball team and Margaret and Deanna did likewise on the basketball team. The Jr. girls have done okay in earning letters in those sports for GLC, too.

Deanna represented the Jr. class as princess in the Carnival this year.

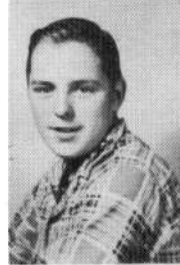

The Junior Class has had a pretty good year and hope to do as well in the future.

IN

ACTION

Sarah receives the ball with Jeannette, Madelyn, and Pat tensely awaiting the coming action.

This years volleyball season was very short with the team playing only five games. We believe our team this year, is one of the best in the last few years. Sixteen girls made the team and put up some perty stiff competition for Port Orford and Ophir. Three of the five games were played with Port Orford with the Langlois girls coming out on top all three times. The other two games were played with Ophir. These games were lost. Although, we put up what we thought was good competition we could not stop them. The team played three practice games with the faculty winning the first game by a good margin but losing the last two.

We are sorry to say we are losing some of our best players with the graduating seniors but we still have a lot of girls to take their places.
