# **FOREWORD**

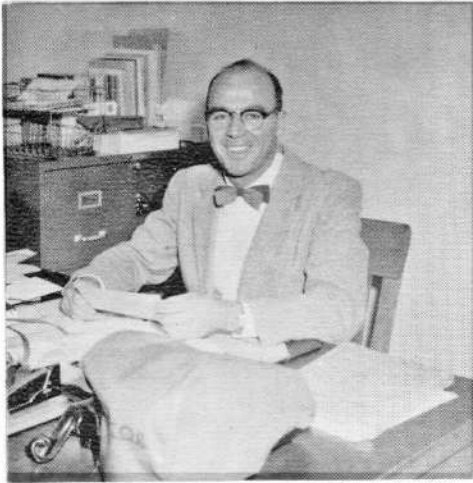

The purposes of this yearbook are to record the memorable events of our school year; to remind us of our class companions and teachers, and to help us recall the fun of the past year.

We, the staff, hope this edition of the Panther Tracks fulfills these goals.

# DEDICATION

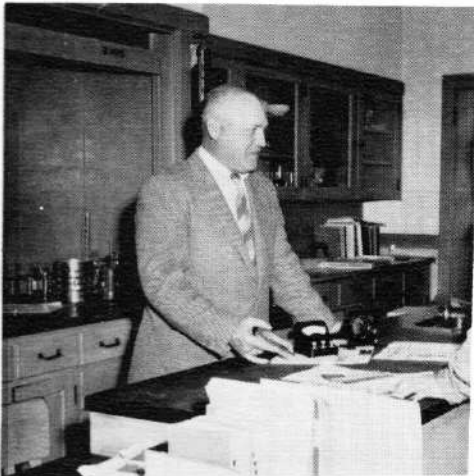

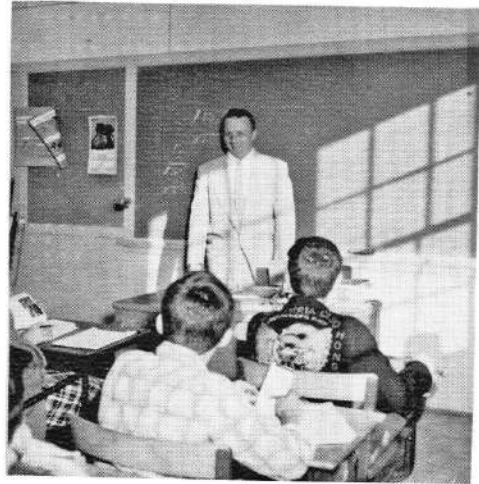

We, the Panther Tracks' staff, wish to dedicate this annual in memory of Langlois High School, which for eighteen years has been our source of higher education. Now, as we enter Pacific High School we leave the many wonderful memories of our past years for those entering this school as junior high students.
