Pacific High School
Port Orford-Langlois, Oregon

to others all around me
i seem to be alone,
stranded in strange country,
always on the roam.
but though i may look sad
and often feel amiss,
i have a true companion.
his name is loneliness.

he greets me every morning
as always since my birth,
and beckons me to join him
beneath the rolling surf.
but though he speaks with wisdom,
against his will i balk,
and ponder death's true freedom
while sitting on a rock.

life's path is dark and lonely,
i cannot understand,
why doesn't someone see
and lend a helping hand?
so, to my friend i flee
and find him waiting there.
oh, how he pities me!
he knows that no one cares.

telling of the past, preparing for the future

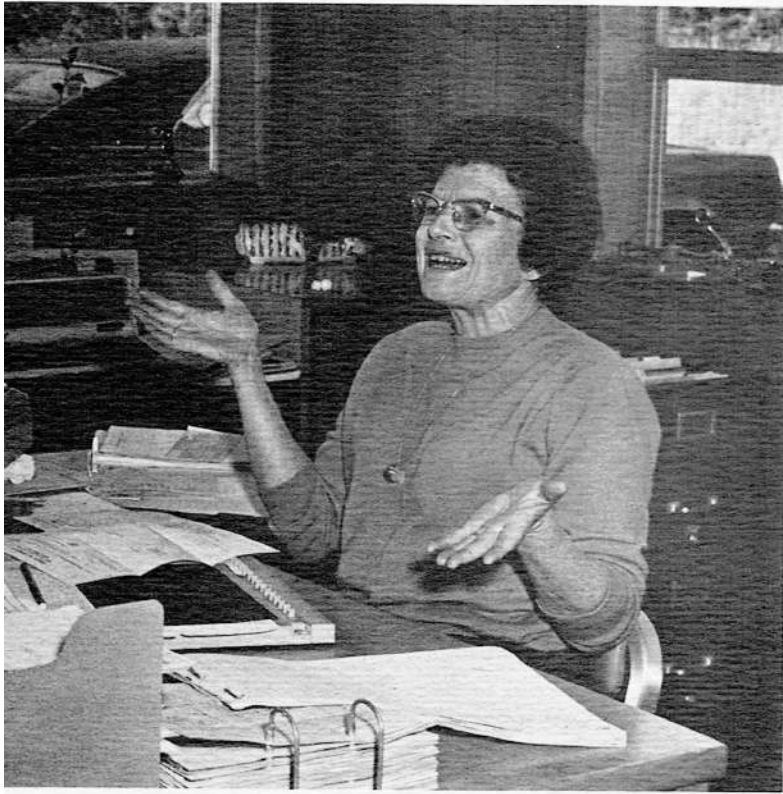

The main idea of the administration is to provide the facilities to make P. H. S. a better place to live and learn. To do this various supplies were ordered, including; audio-visual equipment and football uniforms. This helped provide a well-rounded career at Pacific High School.

The spirit at PHS was high this year as everyone looked forward to defeating the Panthers of Gold Beach. A new addition to the activities was Spirit Week which began on Wednesday with Hat Day. The second day was Pirate Symbol Day and Friday completed the week with School Colors Day.

HOMECOMING

'69

PACIFIC VS

GOLD BEACH

UPPER: Reigning over Homecoming '69 was Queen Patty Smith and Mike Deets, Mr. Football. The Pacific-Gold Beach Homecoming game yielded a 22-16 victory for the Pirates. Through the outstanding passing of Scott McKenzie, 14 of an attempted 21 passes were completed for a total of 176 yards. Tony Hefner, David Bjerg, and Darrell Bjerg lead the rushing attack for a gain of 194 yards. These two figures boasted the 23 Pacific first downs. Behind the fierce blocking of the offensive line, the Pirates were able to score 3 touchdowns.

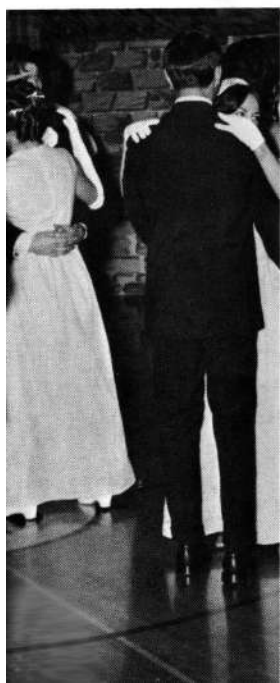

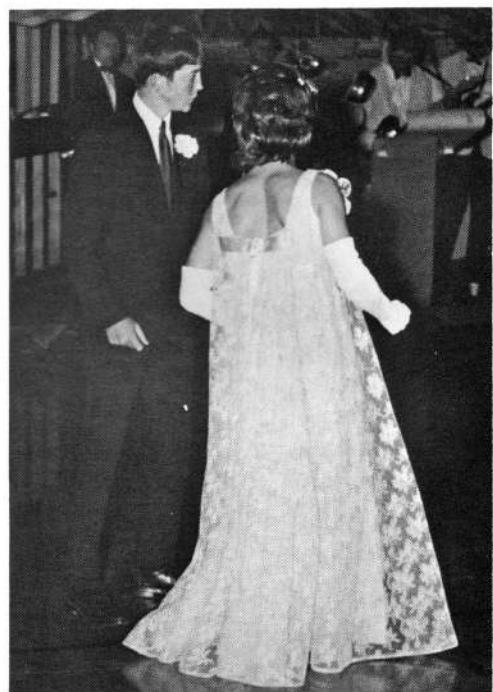

CENTER LEFT: During half-time of the Homecoming game entertainment was provided for the Pirate boosters by the Pom-Pom girls.

Spirits were boosted by the Pirates traditional noise parade in which each class was represented by enthused members.

Even though this was their first activity of high school, the Frosh succeeded in overcoming all-comers in the noise department.

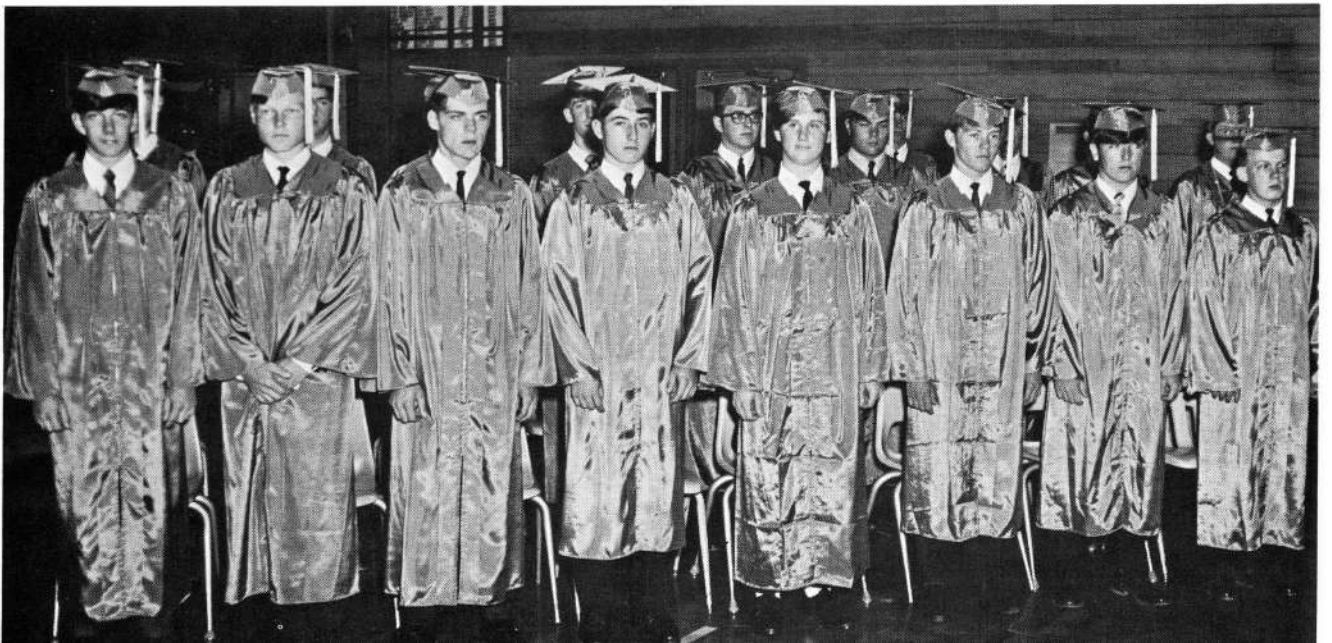

“A Time for Us”

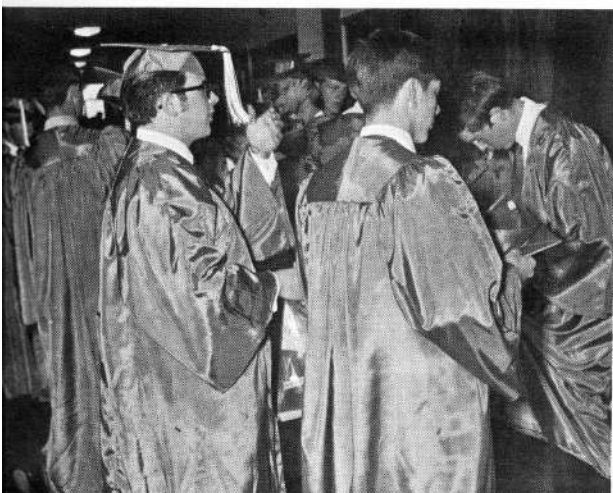

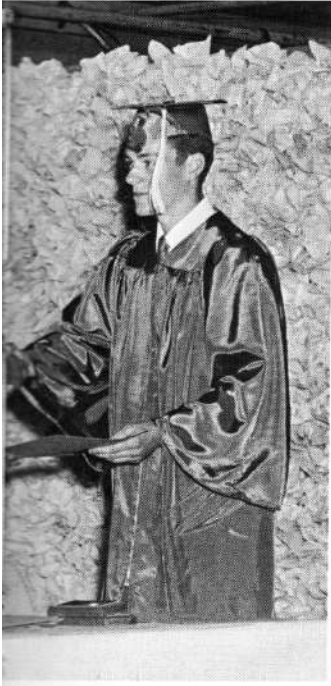

"A Time For Us" from ROMEO AND JULIET was the theme for the Junior-sponsored prom. About 100 people attended the dance and enjoyed the music of Frankl Leuck's orchestra. The setting of the prom was Romeo and Juliet's garden. Ivy and roses draped across the rock walls of the garden. A hedge separated the party tables from the dance floor. A wishing well completed the atmosphere of the garden. The highlight of the evening was the Queen's Dance led by royalty, Gloria Shaw and Robert McKenzie, while the theme song was sung by Candy Worthington. Other members of the court were Margie Gingell, Deb Hildebrand, Tam Hanna, Bob Carr, Robert Biggs and Mike Deets.

Not Long Ago . . .

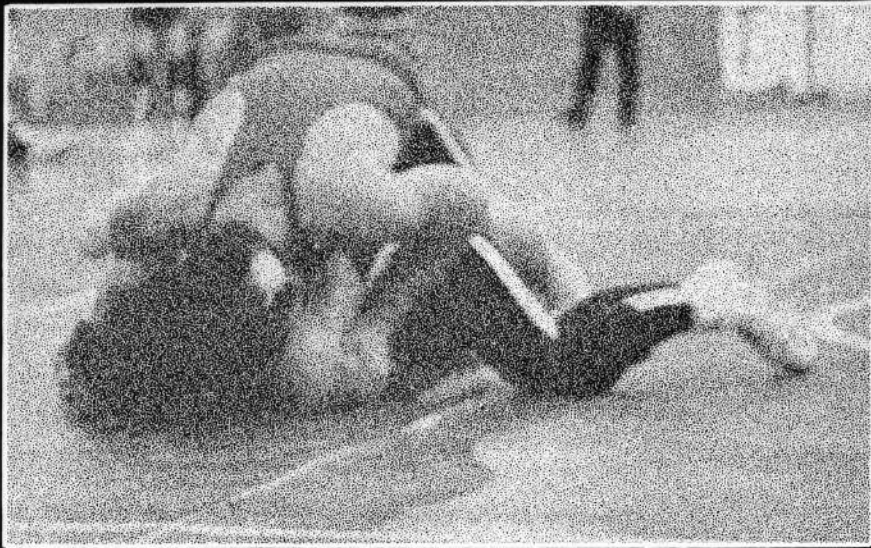

As the notes of the "Pomp and Circumstance" graduation march rang out the 1970 Seniors went for their last walk through the gym that had been a second home to them for four years. Each carried memories that would never be forgotten. Some were tearful, yet happy; while others were overwhelmed and excited. Their class colors decorated the stage with their motto "A Time For Us" printed out in blue over a green backdrop. Also on stage were baskets of forget-me-nots--the class flower.

A look to the future with hope and understanding were expressed by both the Salutatorian, Linda Bess and the Valedictorian, Tam Hanna. After these speeches the class secretary, Deb Hildebrand, called roll and each student approached to receive his diploma and graduation rose. The ceremony was also highlighted with a speech from Mrs. Clarice Hopkins and the invocation by Reverend Don Roth.

Both Earl Lang and Bob Ray were voted to the All-Conference Cross Country Team.

The 1969 football season began a new era for Pacific High School. The schedule opened with a fast start with the Pirates overpowering Rogue River 8-6. They fought hard, unable to win all, but managing to break the school record for wins and losses.

The Pirates finished their season with a 4 win and 5 loss record. One of these victories was over the former state A-2 champions; the Bandon Tigers. A previously undefeated rival, the Gold Beach Panthers also fell under the Pirates strong aerial offense and their unrelenting defensive unit.

FOOTBALL: The beginning of a new tradition

By far, the most exciting game of the season was the Bandon game. The reason for this is twofold. They are traditional rivals and were the defending state champions.

UPPER LEFT: Tony Hefner running for a gain around end.

UPPER RIGHT: David Bjerg returning a kick.

LEFT: Defeat is felt by all.

ABOVE: Darrell Bjerg storms around end.

The Pirates landed several men on the All-conference team. Top honors went to Senior Robert Biggs who went both ways as All-conference offensive guard and defensive linebacker. Another Senior, Fred Fry was selected as defensive end. Junior Scott McKenzie was chosen as defensive safety with David Bjerg selected as defensive halfback.

The Pirates offensive game was headed by a strong running attack. Behind the blocking of such outstanding Seniors as Mike Deets, Robert Biggs, Rick McKenzie, Richard Rush, and the PHS backfield rushed for a total of 889 yards in 7 games out of the 9.

The Pirates passing attack proved to be a potent weapon against their rivals. Junior Quarterback Scott McKenzie found his marks completing passes that totaled a large portion of the yards passed.

Frosh

The Pacific High freshmen team had a very successful and rewarding season this year. They were lead in scoring and rebounding by 6'2", Ron Branham, who averaged 18.5 points per game. Mike Price was the second leading scorer averaging 10 points per game. They showed great promise for future years at Pacific with the hustling and determination of Wayne McCune, Jack Tucker, Milt Wilson, Ralph Cope, Curt Lords, and Floyd Foster. These individuals helped round out the scores and produce a 11-3 season. The frosh managed to defeat all of their conference opponents except for Myrtle Point.

Hustle Guys!

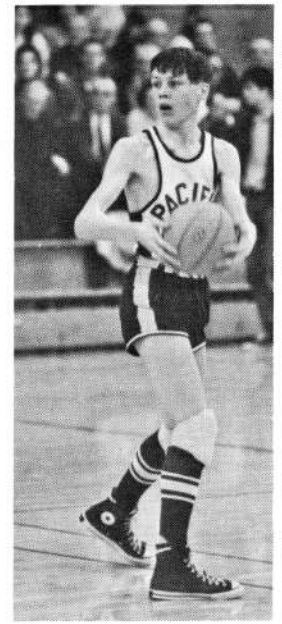

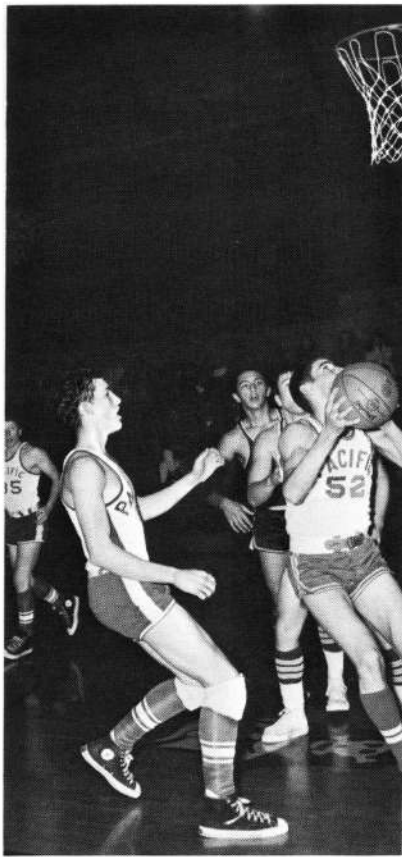

Although this years JV team ended with a 6-14 record, most of the losses were only a matter of one or two points. The most outstanding game was a 63-19 victory over Powers. However, a sudden death overtime loss against Coquille proved to be the most exciting game of the season. With the assistance of the entire team, Bruce Slocum managed to build a 9.5 game average. Leading rebounder, Jim Kirchgesler helped feed the scorer and worked the corners for points himself. The other pace setter was Mike Wilson with a .516 percentage in free throws. Through the assistance of the other starters, John Zuppe and Tom Still, the JV players drove down court attempting to make it a victorious season.

The 69-70 Varsity basketball team surpassed all previous season records with a 15-7 win loss record. They broke many records, their first being a 5 win - 5 loss conference record. Others included: a consecutive 5 win victory streak, the defeat of Powers and Myrtle Point for the first time in the history of PHS, and six team members being in double figures in one game was yet another record-breaker credited to this junior dominated team. Adding their share to outstanding performance were David Bjerg who made 13.9 points per game; Darrell Bjerg who had the highest field goal percentage with .430 per game; Carl Johnson with the highest free throw percentage and leading rebounder; and the two playmakers - Scott McKenzie and Bob Valet, who, added all together sent this first rate team onto record breaking heights. Excitement ran high in many games, but two Pirate victories will remain most memorable. The first being against the Powers Cruisers. Both teams were scoring evenly until Pacific broke Powers under the strain of a man to man full court press which held the Cruisers scoreless while the Pirates chalked up 14 points, earning another victory, with the final score being 68-59. The second game was against the Gold Beach Panthers. During this game six team members were in double figures: Scott McKenzie-11; Mike Woodruff-11; Darrell Bjerg-12; David Bjerg-11; Bob Valet-14; Carl Johnson-12. Again their outstanding full court press proved to be the deciding factor in the game. The Pirate ballhawks were able to stop the Panthers from scoring by stealing the ball countless times. The final score was 75-62. This game was Gold Beach's first defeat in conference play and marked the downfall of the Panthers.

Wild Wrestlers

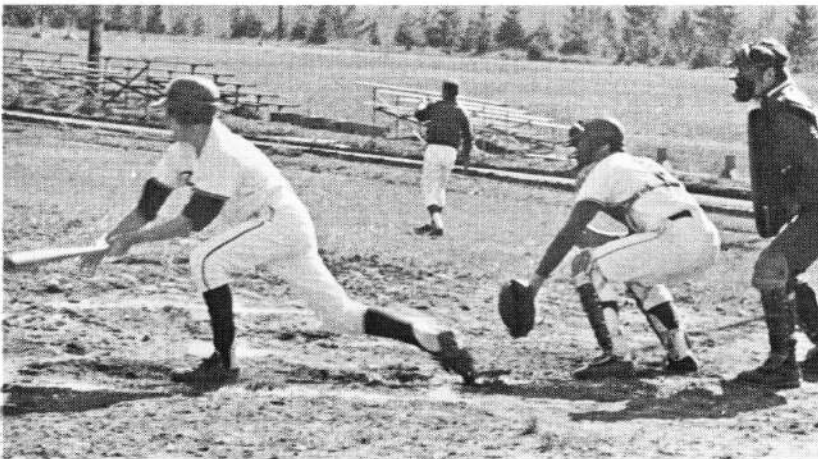

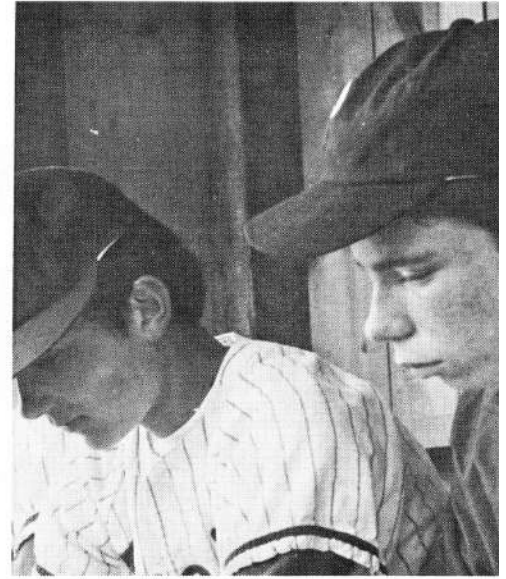

The PHS wrestlers, although not successful in team scoring, had several outstanding grapplers. There were three Conference-champions, Hans Jorgensen, Fred Fry, and Tony Hefner. The wrestling team, led by these three seniors, was plagued by the lack of people for different weight. The wrestlers were very competitive in the weights they did fill. Several highlights of the season were: 10th place in State, the highest ever in Pacific wrestling history and two high finishes in the state tournament. Fred Fry battled to 2nd place at 178 pounds and Tony Hefner finishing 3rd at 191 pounds. Hans Jorgensen also went to state at 141 pounds. There were also a number of individual victories at the Pacific Tournament and various conference meets.

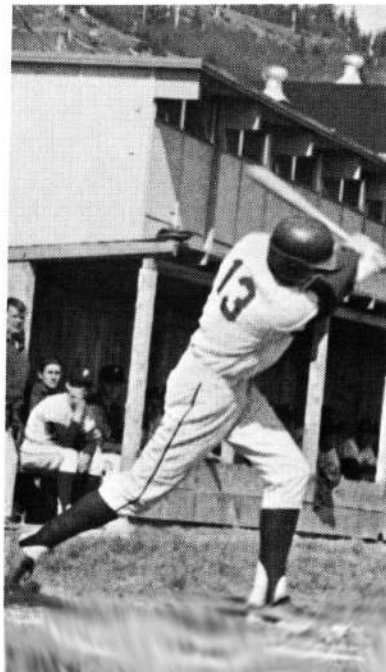

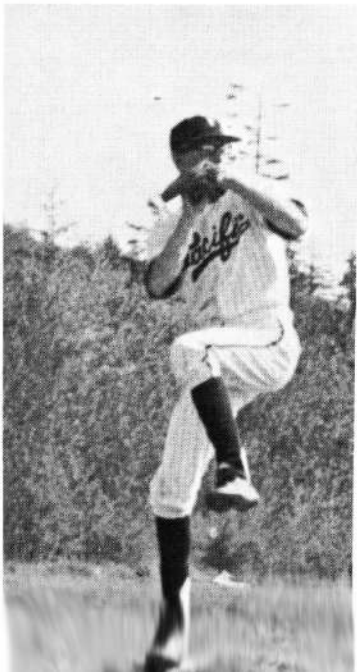

LEFT: Coach, Larry Hoover. ABOVE: Manager, Mike Lenox.

Baseball

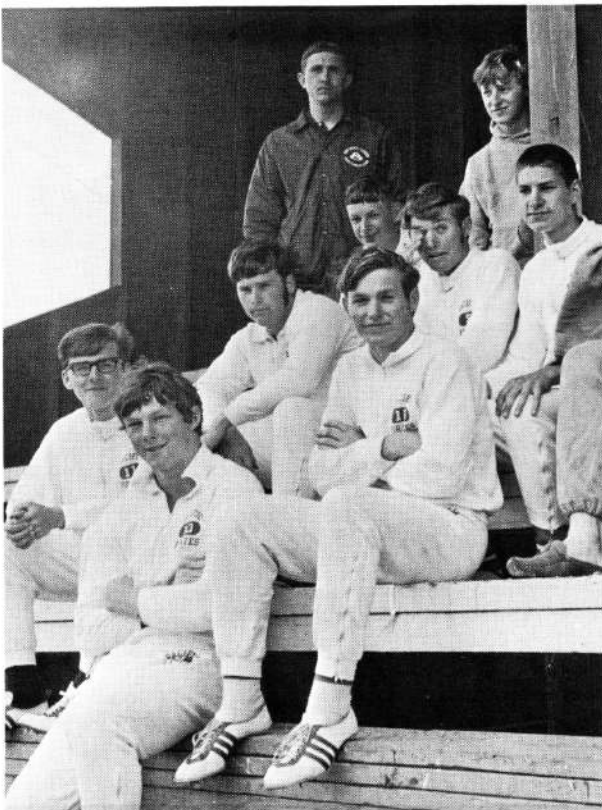

The great obstacle set before Mr. McKeel and his baseball team this year was lack of experience. The team needed more time to practice, less time to contemplate and a chance for victory. All of these things helped make the season a difficult one for all involved. After the realization that baseball is work, the team buckled down and scored a victory over Gold Beach. This game prompted the team to hope for similar events to occur in their later season. As the rains came to a halt, the young but learning team once again returned to the field—a field that presented defeat and victory. Realizing practice and experience makes the difference, this ambitious team continued to strive for the necessary experience.

This year's Boys' track season was a memorable one for those who stayed out, even though the track and field carried more defeats than victories. After 10 meets three individuals merged to the District meet at Coquille. Darrell Bjerg, Bob Ray and Doug Jamieson qualified for District, however though Doug and Darrell did their best, Bob Ray was the only one to attend the State Track Meet in Corvallis. Bob's time in the 2-mile was 10 min. 22 sec. which set a new school record and placed him in the top 10 at State. Since track is an individual sport each man must do his best to succeed. Self discipline and individual motivation provide the basis for desire to participate. Most feel that track as an individual effort has its merits and individualism is the key to success in this spring sport.

Moment in Spring

Girls in Motion

Each individual should compete in some kind of sport at least once in their 4 years of high school. Girls are no exception as proven by the girl's basketball team. The girls came through with an exceptionally good season having a 4-4 win loss record. Reta Guerin, as high point scorer, had a total of 46 points--a 7 point game average. Their strongest victory, a 51-19 score, was set over Bandon. One of the highlights of the season was the Mother-Daughter Basketball Game. The score was 36 (girls) to 27 (mothers) with Dana Newcomb scoring a high of 10 points and Mrs. Albert Moore hitting 6 points. All in all, everyone enjoyed themselves very much, proving that sports can be played for recreation as well as competition.

TEAM MEMBERS: ABOVE, Back Row: Laura Marstall, Patty Peck, Katrina Montgomery, Dana Newcomb, Chris Newcomb, Darla Rowling, Becky Still; Center Row: Lisa Parks, Toni Harrington, Lois Lang, Teri Harrington, Sandy Keeler, Angelique Robicheau; Front Row: Tam Hanna, Reta Guerin, Deb Harrington, Cathy Tucker, Leta Moore, Kathleen Parks.

Cross Country Volleyball

Girls' Cross Country is a relatively new sport -- this being only its 2nd year at Pacific. The girls had few meets because all schools in our league, with the exception of Bandon, have no such sport. Even though there were few meets, the girls ran many, many miles over hills, along sandy beaches, around the track, and down paved highways achieving sore muscles and their own self-satisfaction. In the future there is a good possibility of the expansion of Girls' Cross Country and with the potential of the PHS girls, there is a good chance of them reaching their inner goals which have carried them this far. The team included: Dana Newcomb, Margie Gingell, Chris Newcomb, Becky Still, Kathy Aldropp, Lois Lang, Linda Moore, Reta Guerin, and Lisa Parks.

Forty ambitious athletic girls turned out for Volleyball this year. With fairness to all, each was given a chance to play. This caused problems for both the coach and girls because it is difficult to find a suitable practice time for all and the players are changing each time a game is played. Only 3 games were played so actually the games were played for recreation, rather than competitiveness. Regardless of the unending difficulties, a majority of the girl's continued to stay on the team and continued to enjoy this sport of volleyball. Included on the team were: FRONT: C. Donaldson, B. Still, P. Peck, L. Moore; MIDDLE: K. Montgomery, C. Newcomb, T. Harrington, T. Harrington, L. Parks; BACK: K. Parks, D. Newcomb, K. Terp, T. Hanna, L. Moore, C. Tucker, and R. Guerin.

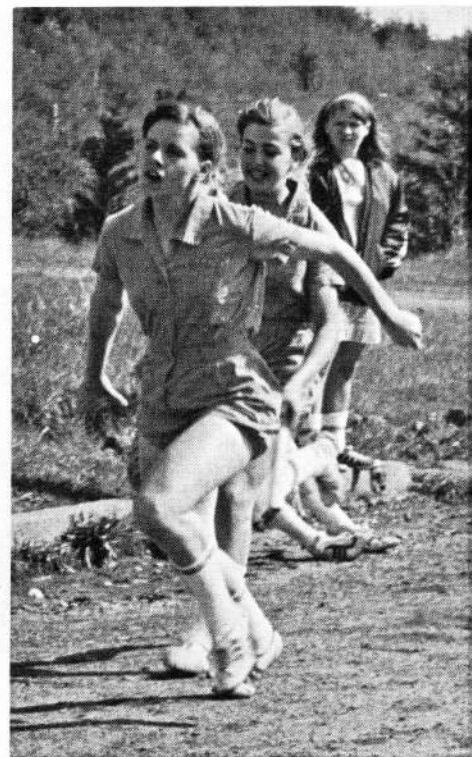

Cinder Gals

For the girls, track was by far the most successful season in sports. They outscored Coquille and Bandon, and were able to place second at a tri-meet at Reedsport. There were also a large number of records broken this year. Diane Haga broke the 100 yard dash and the long jump, Leta Moore broke the javelin record and Lois Lang broke both the 880 yard run and the mile run. The team also sent 5 girls to state. The 440 yard relay team consisting of Carol Tope, Linda Moore, Reta Guerin and Diane Haga were unfortunately disqualified, even though their time was fast enough to break the school record. Diane Haga also went to state in the 100 yard dash and placed 5th in the State.

The sounds of victory and the cries of defeat were all witnessed by the twelve rally girls as they experienced feelings of spirit and anxiety. Enthusiasm and participation lead the way as the cheerleaders started serpentine through the halls and yelled for a victory. With the help of various students, signs related the feelings of everyone at each game. This year the teams surpassed previous records and a new interest was created through the continual screams of joy and anticipation. This year's rally lead a part of the growing concern for a winning team through their cheers, chants, and victory songs. They believed that everyone should yell at the top of his lungs for the Pirates.

Bounds of uncontained excitement came from Donna Branham, Carol Knapp, Song Queen - Carol Tope, Kim Dunn, and Kathleen Parks -- the Varsity Rally.

From the soggy football field to the hardwood floors of the gym, came the spark of victory never before experienced at Pacific. This year brought a new, unbelievable sign for victory. The never ending hand clapping and fight songs were boldly taken by the Pep Club to imitate continual spirit and enthusiasm. In the traditional purple and white, they yelled, screamed, and cried for their team. Further interest was shown when the Pep Club volunteered to pay part of the cost of rooters' buses so that more could be taken to away games. Spirit showed the way, Pep Club cheered and everyone felt the victory or defeat.

Marching Merry Makers

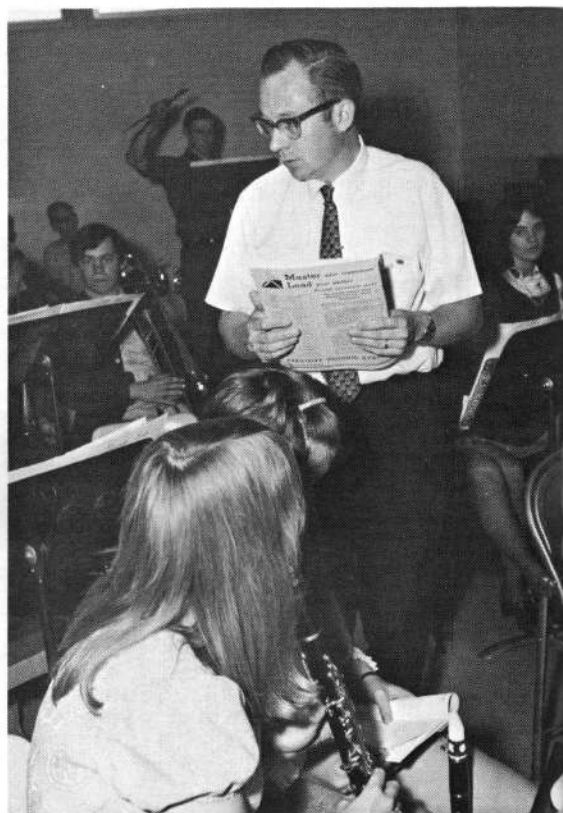

In complete darkness, with flames streaming from their fire batons, Becky and Sherry entertained sports fans with their twirling feats. They sponsored play-nights and cake raffles during the year to help pay for their uniforms. Another group adding entertainment to the sports program were the Pom-Pom girls. In yellow and white uniforms, with purple pom-poms, they did routines to the music of the PHS band.

In an array of purple and gold uniforms the Pacific high band opened the football season with their brisk marching routines and various formations. They set the pace and held spirits high when performing during half-time at both football and basketball games by playing the fight song.

The first major performance of the band was their appearance at the Christmas Concert. In November, they assisted Chorus in the musical "Get Up and Go" by providing background and solo music. Their abilities were again exhibited in an exchange concert with Riddle. Highlighting this year the band performed at Grants Pass in the White Water Parade. The year proved exciting as Pep Band and Stage Band initiated interest outside the area by having five members selected to represent Pacific at the 7th District OMEA Honor Band. These students were: Cathy Tucker, John Jensen, Becky Still, Laura Marstall, and Lynn Mecum.

This year's Choir, the largest ever at PHS, was kept busy with many activities; the musical, "Get Up and Go", the Christmas Concert, and Spring Concert. The Mixed Ensemble and the Girls Ensemble also performed on several occasions. The choir is directed by Mr. Wayne Merrell, a brilliant conductor and tremendous singer. The choir enlarged its selection of music with the addition of several new, contemporary selections.

The Chorus attended a Singing Festival during the Spring at Coquille High School. They met choir members from other schools and were grouped together for a group concert.

Where the Boys Are

The athletic elite in this student body have provided the participation in sports that PHS demands. This feeling of belonging to something that represents PHS competitively has made these students realize that there is more to school than just the classroom. From Baseball diamonds to anxious gym crowds eagerness and willingness have contributed to their desire to make sports an important part of everyone's life. To become involved in a sport which requires an alertness to the situation has prompted many students to join, in active participation, and become part of a team, rather than a spectator. RIGHT: President Robert Biggs.

The students that have made PHS a top contender in sports this year are: Steve Wilson, Rick McKenzie, Jim Kirchgessler, Earl Lang, Fred Fry, Tony Hefner, Jerry Wills, Tom Still, Robert Bridgeman, Curt Lords, Carl Johnson, Bob Ray, Richard Rush, Mike Woodruff, Scott McKenzie, Mike Wilson, Robert Biggs, Brent Hodge, Doug Jamieson, Bob Valet, Hans Jorgensen, John Jensen, Bill Lenox, Jim Carr, Keith Peterson, Glen Sypher, David Bjerg, Darrell Bjerg, Mike Deets, and Mike Lenox.

Pir-ettes Play to Win

Competition has prompted numerous girls at Pacific to become part of the athletic team that has fought for recognition. More often than ever the various team sports have been the source of action and girls sports is no exception. Many hours of practice have gone into making the Girls Athletic Association a pleasure for all. Active participation has brought out the idea that girls want to compete and are capable of doing just that. Throughout the year the girls have sponsored cake raffles, box socials, dances and exciting competitive games. Each activity has been a challenge to those involved and the desire to become part of a unified sports program. GIRLS OF GAA: FRONT: D. Haga, T. Harrington, K. Price, B. Coombes, L. Bess, P. Peck, D. Dirt Diggers

This year Pacifics' Chapter of FFA sent 4 members of its organization to the FFA state convention in Corvallis. One member, Earl Lang, was selected State Farmer. This was both an honor for Earl and the Pacific Chapter because it reveals that Earl is one of the most noted and accomplished members in the State. So that the members could attend the convention the Chapter sponsored a donkey basketball game which provided laughs and excitement, plus a few bumps and bruises.

Flour Children

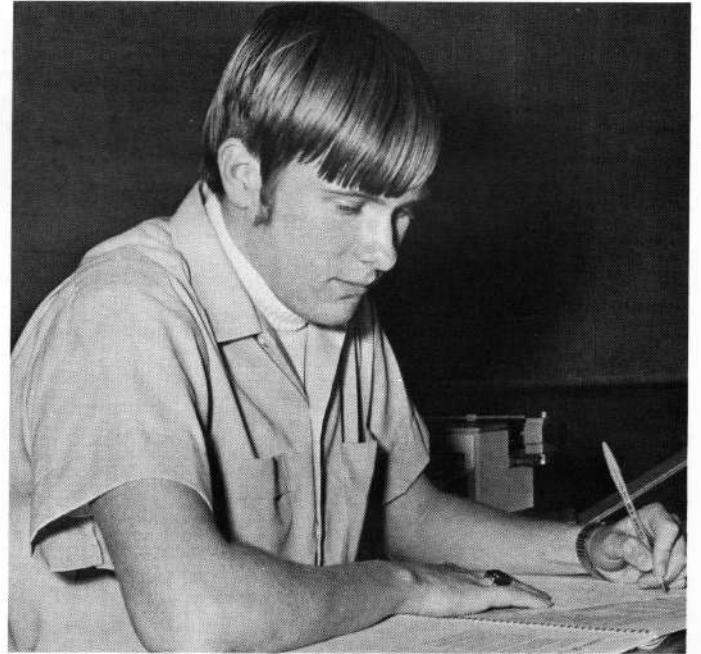

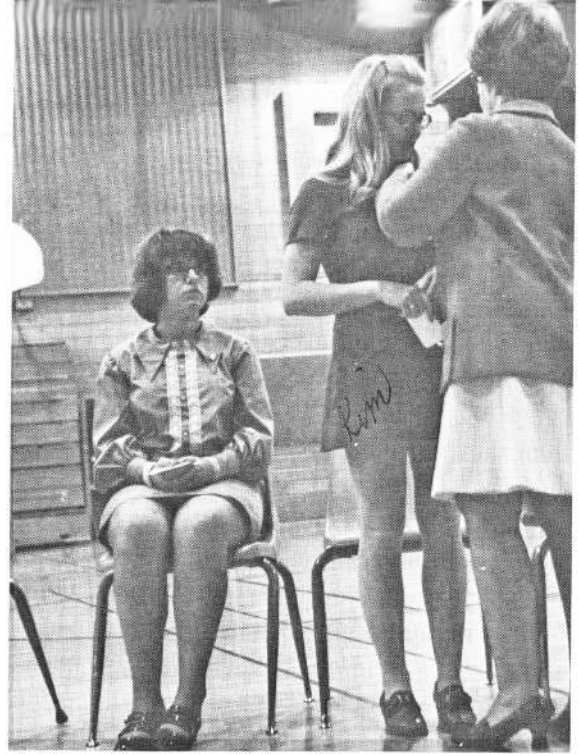

Amongst the buzzing of sewing machines and the banging of pots and pans came the sprinkle of laughter and talk of the 22 girls of Future Homemakers of America. Even though the club was inactive last year, this year they united once again under the guidance of Mrs. Bender and the leadership of Vicki Kreutzer. The Future Homemakers sponsored bake food sales, Candy sales and cupcake sales for the purpose of buying linens for the Home Ec. room. This year Lynda Steigler and Mary Foster represented P.H.S. in Salem at the State Convention.

The qualities that make a person a leader are those of leadership, scholarship, character, and service. Everyone recognizes a leader as one that everyone is willing to follow. The character of this person is such that he or she is respected by all. Many look to this person for guidance and knowledge aware that service is one of the key factors that determines a leader. These qualities describe the members of National Honor Society and because of these characteristics the members are recognized as capable leaders. The membership in this organization increases every year when the present members initiate the students they feel will best represent their ideals.

Through the combined efforts of seven students the Pirate's Echo has become a paper worth remembering. No matter what is happening one is sure to read about it in the paper. Controversy has become an important part of the paper as well as "Bench Bull", letters to the editor, and Salamgundi. A new idea was initiated this year when the staff attempted to make students react. They presented both sides of an idea, interested in what the outcome would be. Their goal was one of presenting the news in an interesting, yet realistic manner. After numerous hours of work and planning, the staff has given the PHS students a paper they feel is representative of them.

ANPAHI

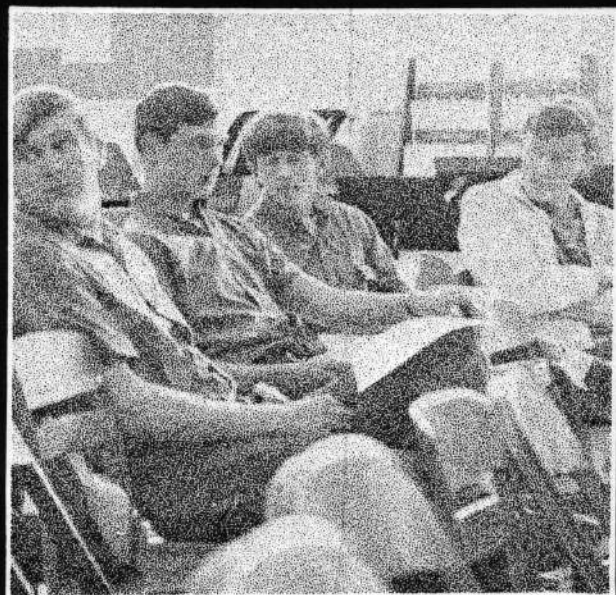

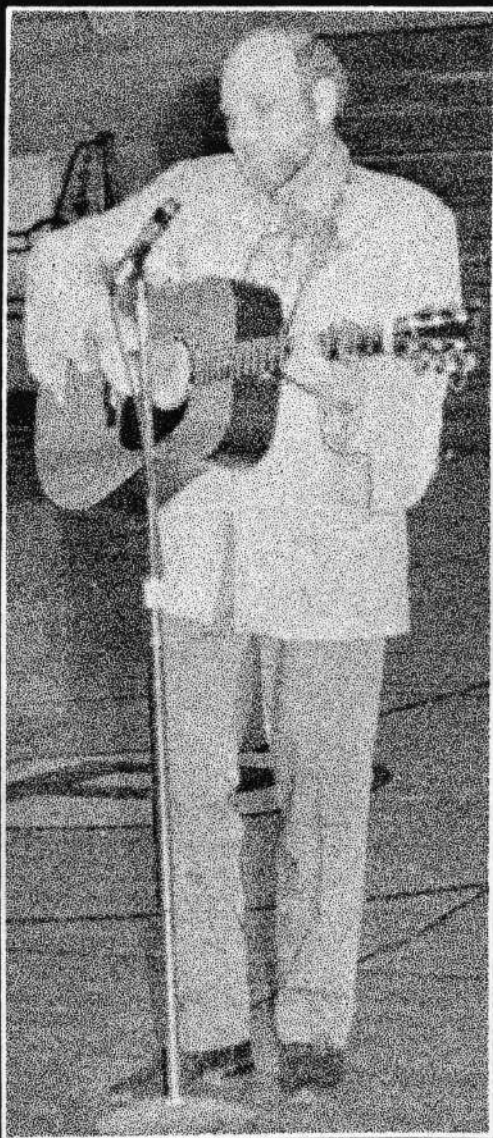

This year's annual staff of Pacific High adopted the theme of "Pirate's". It's objective was to establish a form of continuity within a yearbook. In order to have this format new techniques were employed. Some of these were: the new special effect pictures, a new print style, an introductory theme, and a new look in advertising. All of these new ideas prompted the name ANPAHI to carry the newness and unique design of this book. The staff was aware of the need for change and only because of this awareness has the finished "Anpahi" been something that can be remembered.

We hope you remember.

So you're a student at PHS? You're in a class. You've got student government. So what? "It doesn't affect me so I don't care." "It's just status" . . . so what about the jukebox? How about the dress code? Maybe you don't understand, or is it that you don't care? We have tried but failed to communicate. What would you do if you were in our place? You don't even appreciate our endeavors to liberalize the school. No one seems to care. Or is it just you? We have looked for the answers and tried to solve the problems . . . now it is up to you.

Coquille Chorus Festival

The annual chorus festival was held April 17, 1970 in Coquille. The Pacific chorus was anxiously awaiting its arrival after months of preparation. Under the direction of guest director, Ronald Wynn, the choir sang numerous songs. Mr. W. Merrell also directed the choir in their special medley song arrangement. Most schools in the district and surrounding areas attended the festival making it one of the best ever. As in past years the festival opened up a new vision of music from the various schools.

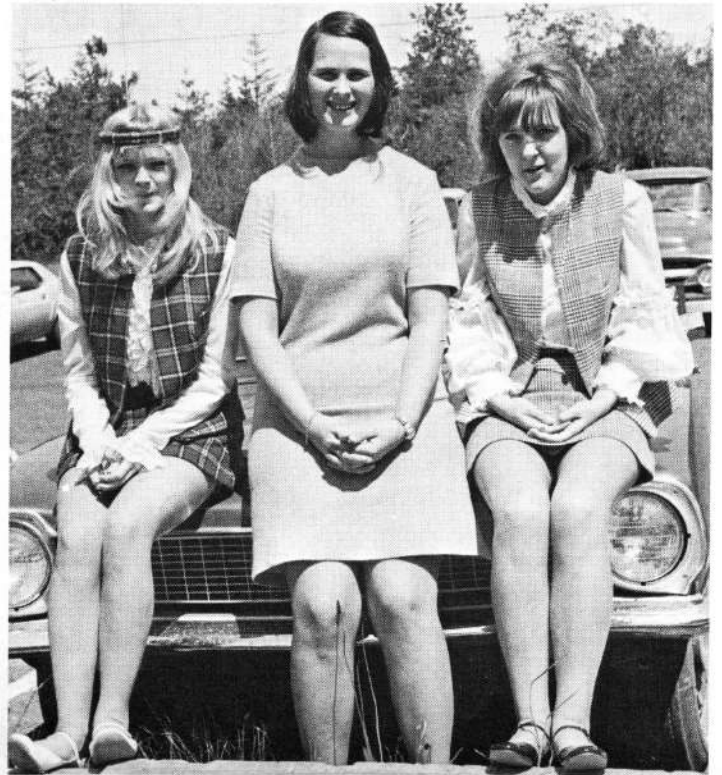

Oregon Shakespearan Festival

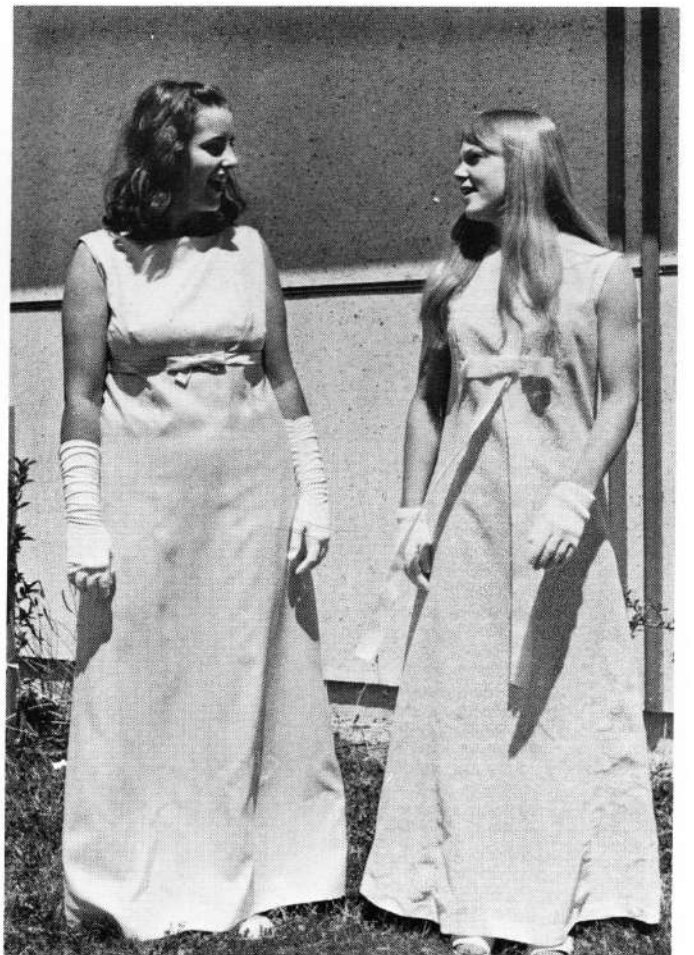

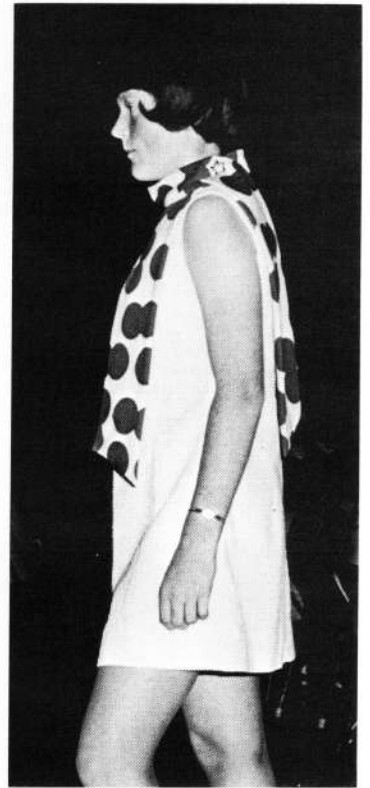

This year, under the Curry County IED Educational program, seven Juniors and Seniors made the trip to Ashland to take in part of the Shakespearan Festival. While in Ashland, they saw three plays. These were "Antigone", "Rosencrantz and Guildenstern are Dead", and "Fantasticks". The people making the trip were Patty Peck, Richard Rush, Scott Woodworth, Ruth Watson, Leta Moore, Tim Sparks, and Mike Wilson. Also participating were students from Gold Beach and Brookings.

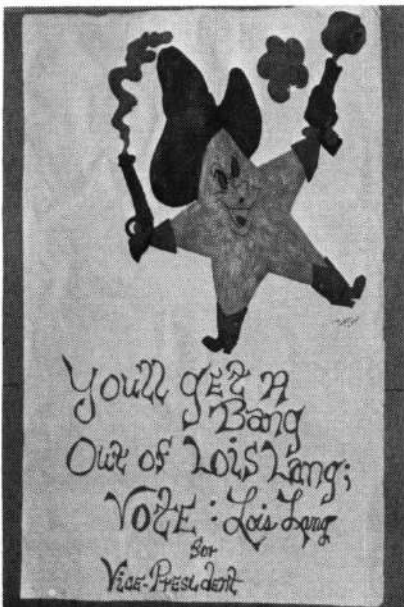

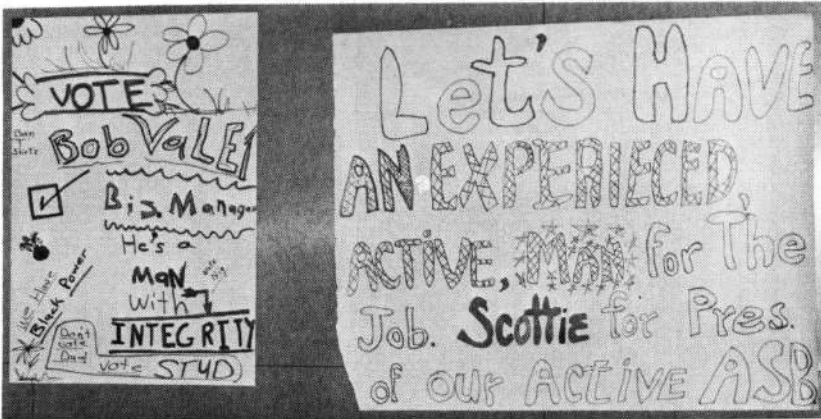

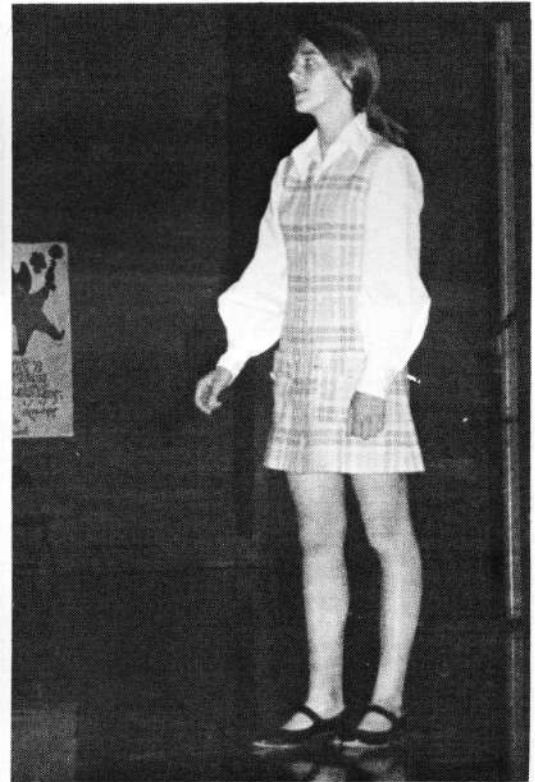

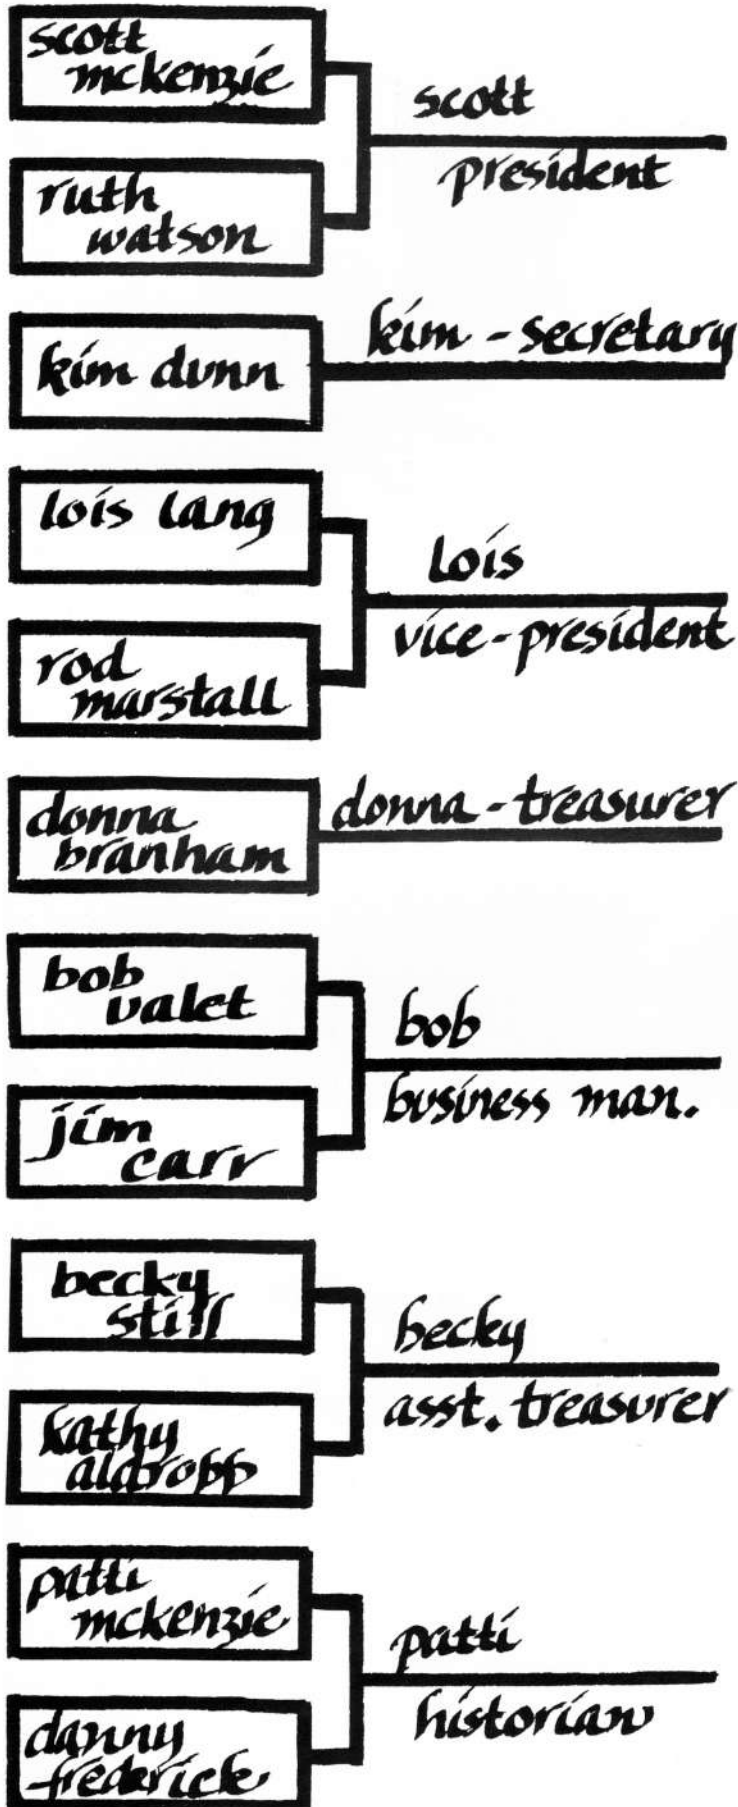

Spring Fashion Pacesetters

"Happiness Reigns in Spring" presented the Home Economic students in their 1970 spring fashions. The girls modeled their outfits ranging from casual dresses to pant suits to flowing formals. Individually they accessorized their costumes by using chain necklaces, gloves, and scarfs. Children's clothes were also modeled by sister's and brother's of the girls who made the clothes in class. The show was commentated by Connie LaMeire and Mary Foster, both Juniors. During intermission Derek Poon played guitar and sang folk songs for the pleasure and enjoyment of all. The show was well attended and watched with approving eyes from students and parents. Models pictured TOP- left to right: Stephanie Gingell, Dora Short, Betty Denn, Margie Gingell, Valerie LaMeire, and Laura Marstall. BELOW- left to right: Janell Wilcox, Karen Aldropp, Laura Marstall, Karon Peterson, Vicki Kreutzer, Jean Potter, Connie LaMeire, Bev Coombes.

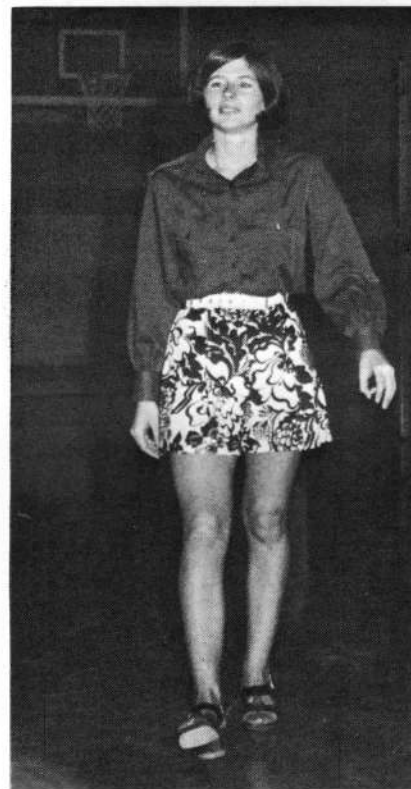

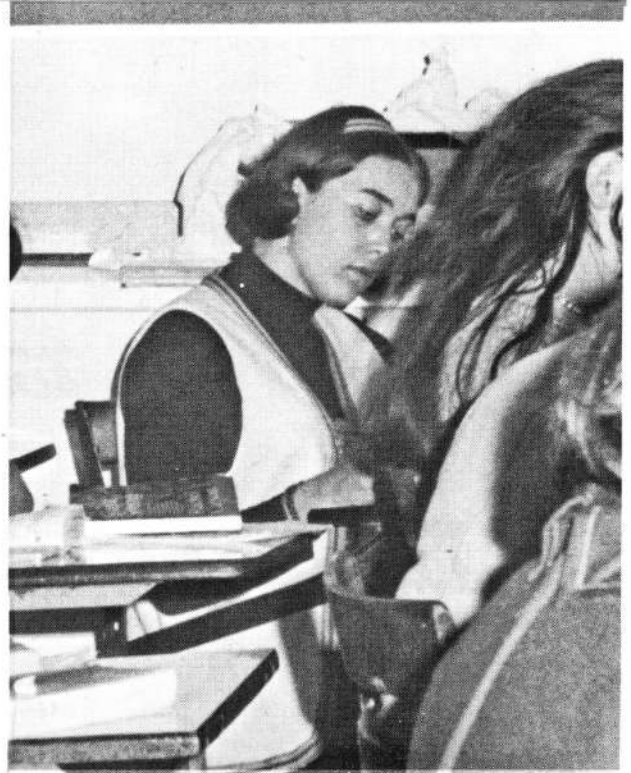

After a closely run primary election and final election, seven individuals emerged as the students choice for the 1970-71 term officers. A full week was dedicated to campaigning which consisted of signs, campaign buttons, and - when the final day of decision arrived - the campaign speeches. Each individual attempted to explain their reasons for wanting to hold the office and what plans they would execute if they were chosen. Each member of the student body had to make his own decision of which one they believed would do the best job of carrying out ideas for both the administration and the students. The following students were elected to preside over PHS for next year: Scott McKenzie, president; Kim Dunn, secretary; Lois Lang, vice-president; Donna Branham, treasurer; Bob Valet, business manager; Becky Still, asst. treasurer, Patti McKenzie, historian.

Our Girl From Norway

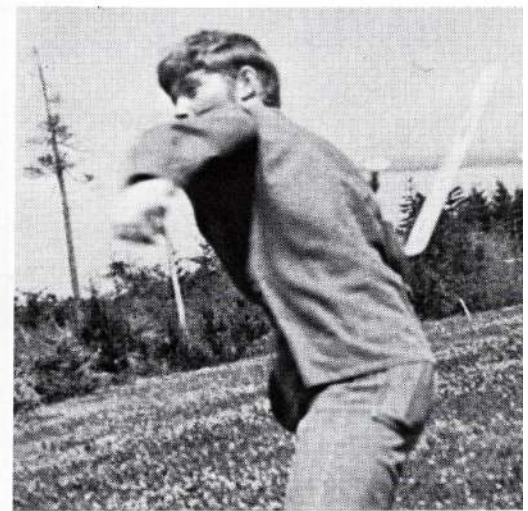

*Hege
Bakken*

This was the first year for Pacific High School to have the honor of having a foreign exchange student. Hege Bakken -- a Norwegian -- was sent over by the Port Orford Rotary Club to attend school in the United States for one year. While here Hege lived with three different families; Mayeas', Hahns', and Hodges'. As a Senior, she was a member of Chorus and maintained the status of an honor roll student. Her uniqueness and personality helped Hege make friends everywhere she went. She found a new home in Port Orford and the lasting friendships shall never be forgotten. It was a year to be treasured by the school and a year of memorable experiences for those who knew her.

Remember

Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go, yet turning stay.
Remember me when no more, day by day,
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

William Morris
