# SUPT.-PRINCIPAL WELCOMED BY

To all the Fine Students of  
Pacific High School:

Thank you for letting me share  
this year of your life. Your en-  
thusiasm for life is contagious.

To accomplish great things, you  
must not only act, but also dream.  
If you have built castles in the  
air, your work need not be lost--  
put foundations under them.

Wishing will not bring success,  
but planning, persistence, and a  
burning desire will. Success is an  
attitude. Get yours right.

Sweet Dreams,

*Jim Romney*  
Jim Romney

The new Principal of Pacific High School and Superintendent of School District 2CJ is Paul James Romney.

He taught 3rd grade in Reynolds School District, Troutdale, Oregon in '73-'74. Then he was an Assistant Store Director of Albertsons, Inc., '74-'75. Then he went to Cottrell School District in Boring, Oregon and taught grades 5-8 from '75 to '79. From there he was Superintendent-Principal of Redland School District from '79 to '86. Mr. Romney began his duties here at Pacific 7/1/86.

His extracurricular interests include outdoor recreation (camping, fishing, etc.) golf, and tennis.

Among his unusual experiences at Pacific, he lists playing in the faculty/student volleyball game and being asked to be a cheerleader for the "Powderpuff" football game.

The ladies in the District Office make up the Business Support Services. They do many things besides checking on and ordering supplies, doing the payroll, answering the phone, and doing the Federal Lunch program.

# STUDENTS AND SCHOOL BOARD

Pictured from left to right, are Barbara Forrest; Mary Yoder, Chairman; Marilyn Haga; Brice Wagner; Dennis Cassell; and Marrillyn Cuthbert; not pictured; Bob Sapp.

This year's school board had three new members. Mrs. Cuthbert and Mrs. Haga took office in July and Mr. Sapp was appointed to fill Shirley VanLoo's seat in September.

This was Mr. Romney's first year as chief administrator and Mrs. Burns first year as Deputy clerk of the district. They also hired Alan Heagle for transportation Supervisor.

Our school budget levy passed in September; so that eliminated the uncertainty we've experienced in recent year's.

Driver training was added as an extra-curricular class on Saturdays and during evenings. Students paid for the class themselves.

The board decided against letting the students have the Prom in Coos Bay.

There are seven board members and this year's chairman is Mary Yoder.

In District 2CJ this is the breakdown for the board: Port Orford is given two board members, Elk River is given one, Sixes is given one. Langlois is given one, Laural Grove is given one, and one is chosen for the district at large.

One of the most time-consuming jobs of the school board is to consider, revise, discuss, and eventually submit a budget for the voter's approval.

This year's legislature is expected to refer a proposal on school finance to the voters so that school districts will not be under the threat of closure every year.

Right, school board chairman Mary Yoder.

CROSS COUNTRY 3RD IN STATE

# PIRATES WIN

Juston Potter and David Baker pull each other through the Pacific Invitational.

The 1986 Cross Country team had their most productive year yet under Coach Jeff Moore. The team started the year off with a third place finish out of twenty teams at the Road, Lake, and Dune run at Winchester Bay. The Pirates then proceeded to first place finishes at Oakland, Glide, and District. The main reason for the Pirate's success was their team unity and competitive spirit. The individuals on the team pushed each other to do their best as a team.

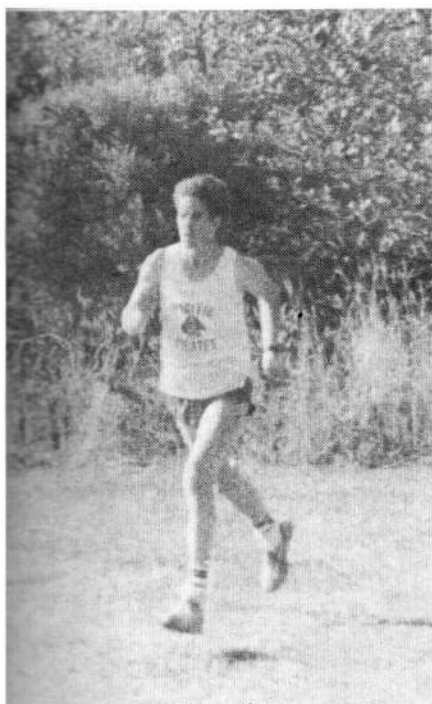

The Pirates had a chance to complete last year's goal of going to state, which was cut short by the school closure. The Pirates even surpassed that goal by running their way to a third place finish and a State Trophy at the OSAA STATE 'A' CHAMPIONSHIPS.

Juston Potter was this year's M.V.P. as well as First Team All-State and David Baker was chosen Second Team All-State.

Coach Mary Strain and, not pictured, Shawn Heagle.

The Varsity Volleyball Team this year was taken over by new coach Jo Heinzman. She came into the season very enthusiastic and ready to have a winning team. The Pirates ended up with a 3 and 9 record in league which made them eligible to go to the league playoffs. The Pirates went up against the St. Marys' Crusaders at Sutherlin and lost, but they made a good effort. This year we say goodbye to 5 of the starting lineup and we wish them luck and next year's team the goal of "on to state!"

Volleyball team are, from left to right, front row: Miranda Doyle, Kim Gore, Sondra Robison, Becky Rosenberry and Shawn Heagle back row: Manager Connie Chase, Kerry Nordstrom, Wendee Smith, Shirley Norris, Ginger Morril, Sophie Evrard, Lisa Lee and Coach Mary Strain.

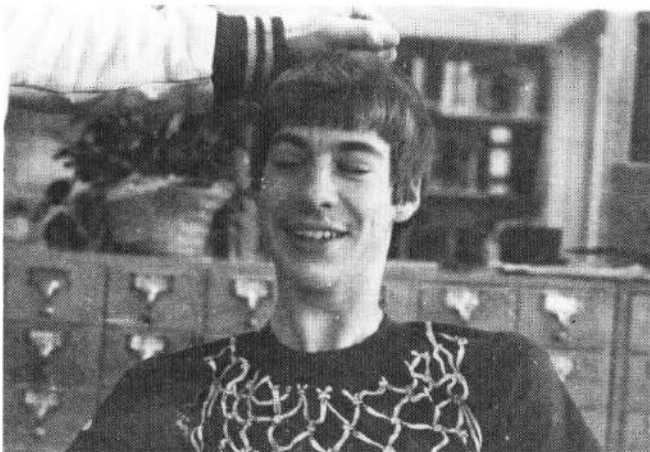

The J.V. Volleyball team this year also got a new coach, Mary Strain. She came out with a positive attitude and was ready to help the girls learn a lot. The J.V. team started out slow, but Mary made her girls work hard and work on their skills. Even though their winning streak didn't look up their attitudes and skills were improved 100 percent. So good luck to all of these future volleyball players, and good job, Mary!

## CLASS PROM PREPARATION

The class of '88 is now feeling the up and downs of life as Juniors. They are now upperclassmen, and are able to influence the underclassmen.

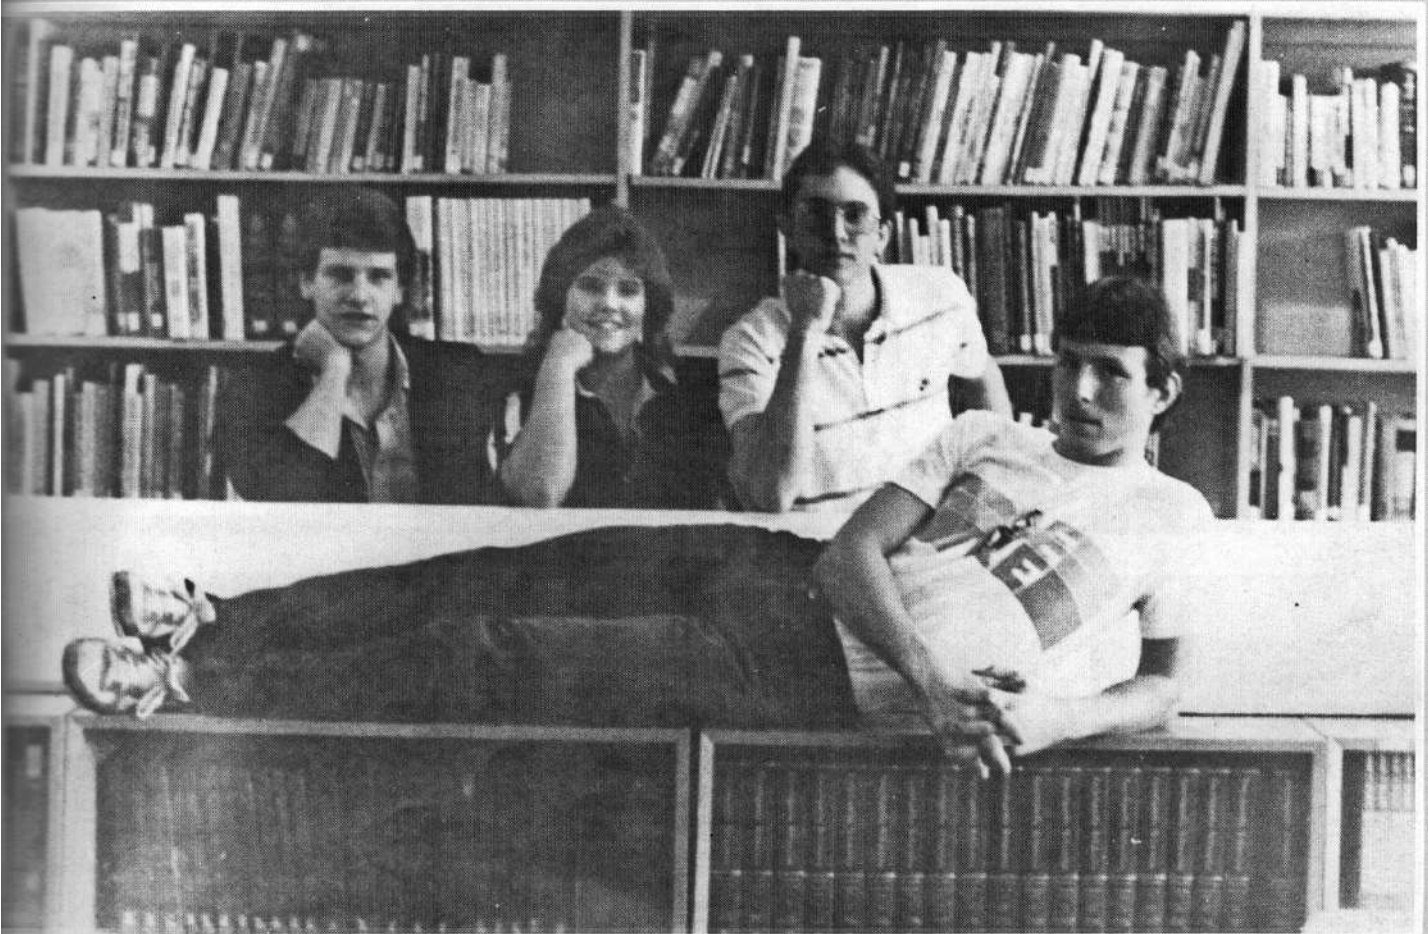

Being a Junior also brings responsibilities, and one of the major responsibilities that they need to undertake is the task of arranging the annual Junior-Senior Prom. The class needs to perform many types of money-raising activities to accumulate the needed money to finance the Prom. Anything from bottle drives to dances were staged by the Juniors in order to raise the funds to pay for the Prom. After all the costs are paid for, and the arrangements are made, the class still has the task of decorating the gym. This week before the Prom is hectic and fulfilling, as the students see their

efforts turn the old dusty gym into an attractive dance floor.

After the hustle and bustle of the Prom, the class can sit back and realize that they are no longer on the bottom of the pile, and that they are nearing the top. They are now taking the more advanced courses that the school offers, and are also having a chance to take the electives that they had always wanted to take.

The students realize that they are now to the point where they must decide on their future lives and their future careers. They begin to seriously look at different colleges, looking for the one that is just right for them. These students are now ready to take charge and be the trendsetters for their peers.

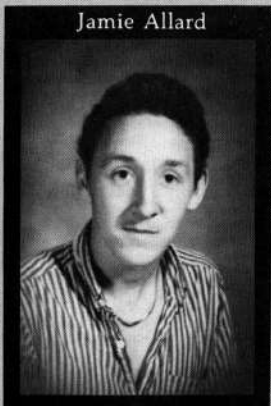

Below: Well here are the Junior class officers. In the back row is the Vice President Ray Pretti, Bonita Zitzelberger who is this years Secretary, and Nate Radcliffe, the Class Representative. Finally there is Juston Potter, the comfortable guy, this years Junior class President.

Their class advisors are Mr. Gordon and Mr. Flake. Becoming a Sophomore means you are no longer at the bottom, but you still have a long way to go. The Sophomores put on the Sadie Hawkins Dance this year. The dance was Hawaiian Style and they did a very good job. They are trying to earn money with bottle drives and other fund raisers. It's important for the Sophomores to earn a lot of money this year and next because they will be putting on the Junior-Senior Prom.

## EXCHANGE STUDENT FROM BELGIUM!

### SOPHIE EVARD SPENDS A YEAR AT PACIFIC

Our exchange student this year was Sophie Evard from Bonneville, Belgium. She was sponsored by the Rotary Club d'Andenne. While in Port Orford the local Rotary club sponsored her.

Sophie spent the first part of the school year with Mr. and Mrs. Daryll Robison of Port Orford, and the last semester with Mr. and Mrs. Ryce Wilson of Sixes.

Sophie has studied English for four years in Belgium, so her adjustment was not as difficult as it might have been. Learning slang, idioms, and colloquial expressions proved to be a challenge.

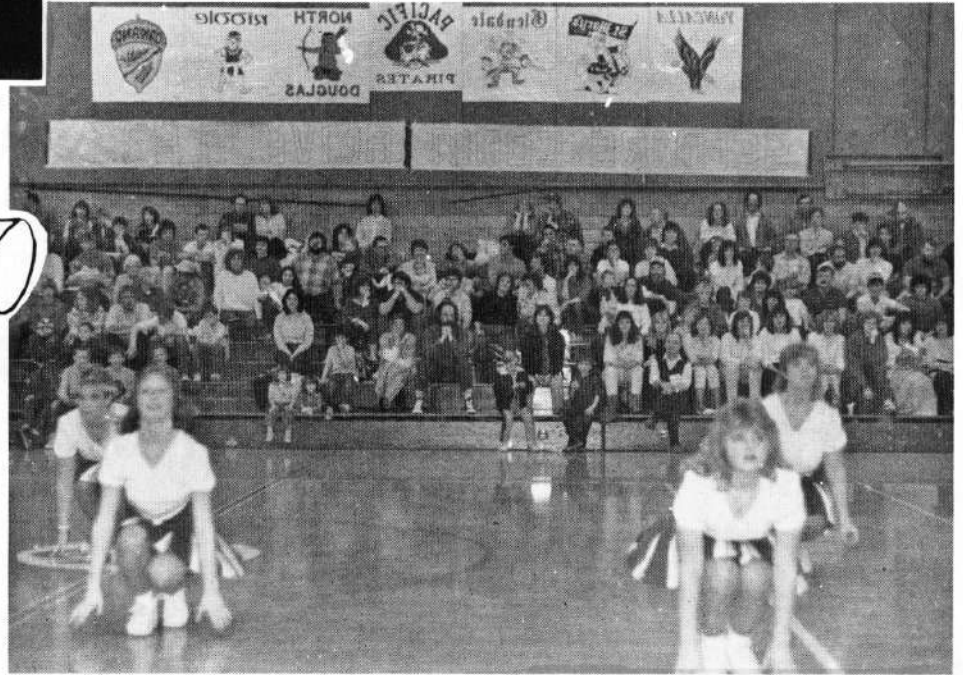

Miss Evard graduated from P.H.S. on June 5 and was scheduled to meet her parents in San Francisco on June 27 for a tour of the Pacific Northwest and British Columbia before returning to Europe.

We will remember Sophie, and we are happy to have shared a year of our lives with her.

# THE PURPLE PRESS

Pacific High Annual Edition - 1987

This year's journalism staff brought innovation to the 1986-1987 school paper. At the beginning of the year they changed the name of the paper from the Pirates' Echo to the Purple Press.

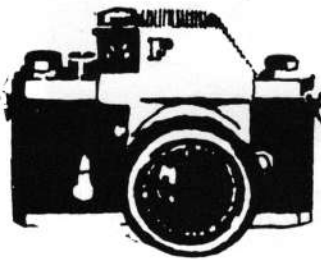

A couple of weeks later the paper was brought up to date through computers. To improve the rate at which the paper was published and its quality the Purple Press crew moved to a computer format to produce their paper.

The students on the staff who made such innovations possible were Misty Dane, Nicole Crocker, Misty Perkins, Wendee Smith, Shawn Heagle, Lacy Nicholson, Jenny Sapp, Wendy Forest, Mike Brown, David Baker, Bob Bures and staff advisor Ron Staten.

This year's Annual Class had the difficult task of capturing the most memorable moments of the 1987 school year. The job was onerous due to the reluctance of many students to pose for photos.

The making of the annual entails laying out the

entire book, compiling pictures, laying out the individual pages and a lot of patience. Though it was sometimes tough, the class did succeed in getting the book together and off to the press.

## WADE PHILLIPS HEADS A.S.B.

Student Council is a group of students who are picked to govern the student body. The student body president, vice president, and secretary are picked by the entire student body. Each class then picks a president, vice president, secretary, and a class representative to represent them in Student Council.

To become a student body president, vice president, or secretary, you must be nominated by a student. There are a few students chosen so there is a preliminary election which brings it down to two people. Those two students that received the most votes then start campaigning for the office they were nominated for. They then have to give a speech in front of the student body. After the speech another election is held and the person receiving the most votes is the new officer.

Student Council sends some of its officers to different schools for conferences between the schools. The idea of the conferences is to get some kids from all schools together out of sports competition in order to become better friends in sports and out of sports.

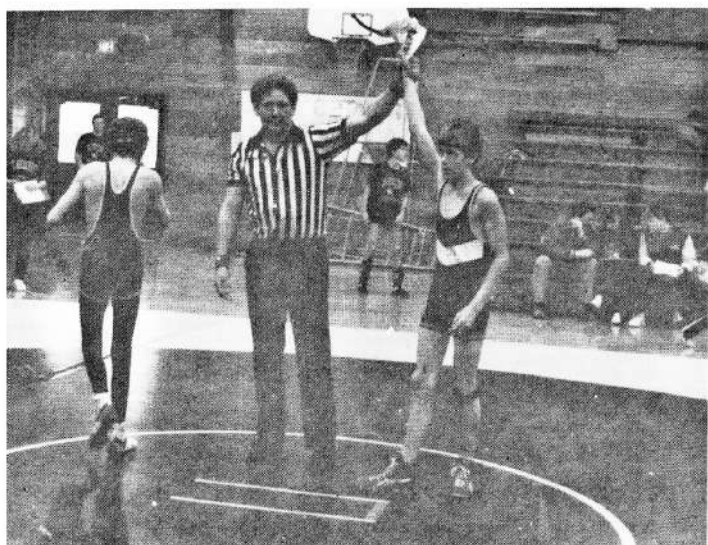

The makeup of the Council is as follows: President, Vice-President, Secretary-Treasurer, Representatives of the Rally Squad, the Band, and the choir. The Presidents of the four classes. The presidents of all clubs. A representative from each class. The Editor of the annual and school news paper.

This year's young Varsity Basketball team had a tough season ending with a 6 and 15 record. However, they did reach their goal set in the pre-season of making the league playoffs where they lost their first game to the Riddle Irish 43-38. Though the record may not show it, the team did consistently improve throughout the season. Mike Brown was chosen 2nd team All-Big Fir League and for the All-Star team at the Oakridge Basketball tournament. Duane Londagin was chosen honorable mention for the Big-Fir League.

This year's Girls' Junior Varsity Basketball team had a better season than the record indicates. Though they did end the season at 3 and 10, they improved a great deal under the supervision of first-year Coach Dianne Neely. The team has a number of fine individual players. The varsity should be looking forward to their help next year.

Standing up: Assistant Coach Lyle Luppen, John Owens, Tom Henderson, Jim Wornell, Scott Henderson, Jamie Haga, Andy Carlson, Lled Smith, Coach; Mr. Farmer. Sitting: Aram Boyd, Joe Bess, Shon Cook, Andy Ellis.

Jeff Cluff looks emaciated after losing 23 lbs. this year so that he could wrestle in the 98 lb. weight class.

Travis Houg throws a fireman's carry for a takedown.

# WRESTLING!

Isn't that Alex Hensley on his back again?

## PACIFIC WRESTLERS HAVE GOOD YEAR

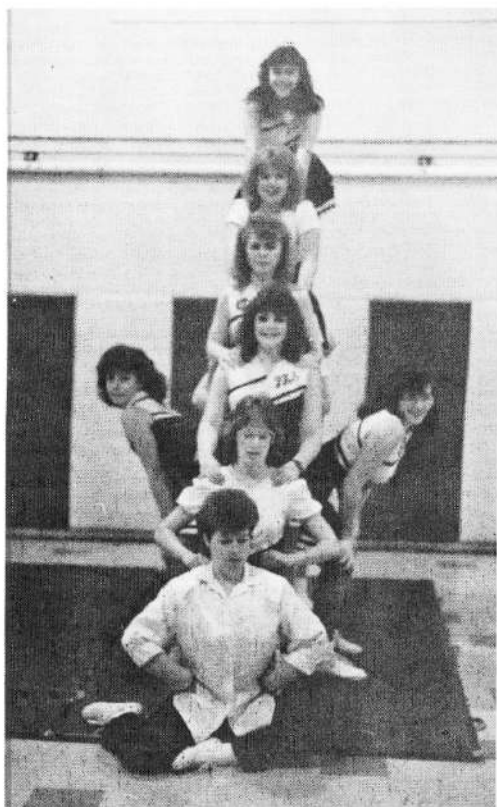

This year's team has been very successful. Seven of the team members placed at District. Jeff Cluff took first place, Alex Hensley and Dan Martin both placed second. Eric Martin, Tom Keeler, and Paul Connors all placed third. Bill Keeler placed fifth.

Jeff Cluff, Alex Hensley, and Dan Martin qualified to go to state. At state Alex Hensley placed second, and Jeff Cluff placed third.

The team is ranked twelfth in the state. That is an impressive accomplishment for a team with so many young wrestlers. In the next few years you can expect the team to be a big threat to the other teams in our district, and the whole state.

The team would like to thank coaches Paul Young and Jim Kistner for their support and encouragement.

# P.H.S. CHEERLEADING

Members of both squads strut their stuff with their advisor, Donna Zitzelberger.

This year's varsity squad has three seniors that will not be here next year; Shelly Sapp, Cher Geurin and Cherie Merrick. Thanks for your help girls.

This year's advisor was Donna Zitzelberger. She was with them at every practice, and game. Thanks for your support Donna.

This year's salutatorian is Dana Dian Lacy. She has an accumulative G.P.A. of 3.84 but all of the credit goes to her parents Jack and Dian (distant relatives of John Mellencamp.)

Dana plans to go to the University of Oregon and major in accounting. Dana explains "My parents influence me alot, without them I wouldn't be here today." Dana's favorite quote is Ronald Reagan's, "What would this country be without this great land of ours."

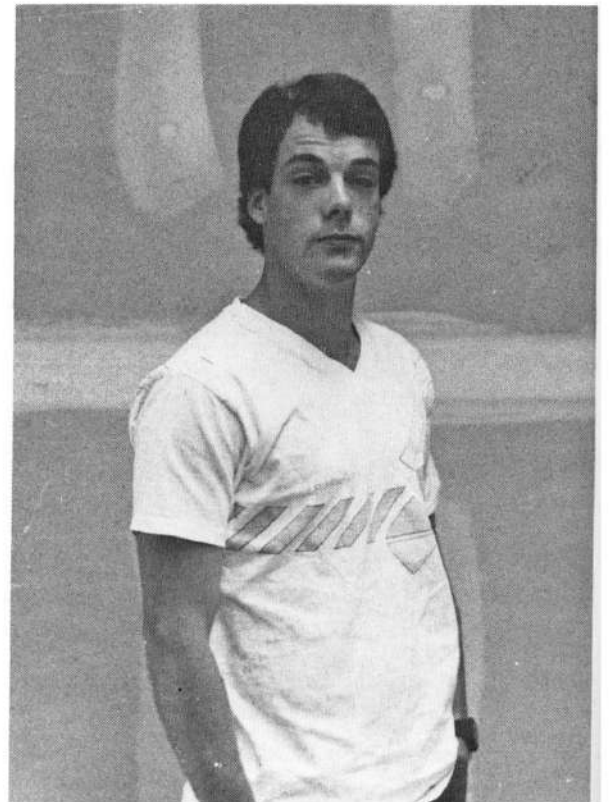

Dana ranks among her favorite things bow hunting, reading, writing and arithmetic. Dana is currently the President of N.H.S. and has lettered in academics the last two years.

This year's valedictorian is David Baker. He has an accumulative G.P.A. of 3.90. Dave plans on going to South Western Oregon Community College in the fall and is going to major in Ichthyology.

Dave says, "money was an important factor in attaining his valedictorian status."

His hobbies include; dry surfing, reading Freudian works, and job hunting.

Dave's biggest ambition is to convince Congress to allow unlimited terms of Presidency so Reagan can go for four more.
