As a coach of our amazing middle school volleyball team, I am extremely proud of every players hard work, sportsmanship, and growth as a team and individuals. We focused on improving our skills on the court and also emphasized teamwork and respect for each other and our opponents. It has been a joy to witness our athletes challenge themselves and to celebrate there acheivements, both big and small, whether it was during our practices or the matches they played.

Drama Club is on their second year of performances. The most recent, "The Grinch," was a hit throughout the community and students alike. Their dedication and passion to ensuring their play was a success shone through due to the talent of all members in Drama Club. When asked about the drama experience, a student states: "Drama is really fun, [and] there's so many memories you can get just by coming to a couple of rehearsals - you find friendships that you'll keep for a long time. It's worth joining, and most of the time we get free food."
